

## Financial Accountant

Shift4 (NYSE: FOUR) is boldly redefining commerce by simplifying complex payments ecosystems across the world. As the leader in commerce-enabling technology, Shift4 powers billions of transactions annually for hundreds of thousands of businesses in virtually every industry.

The Financial Accountant will be responsible for performing and coordinating general accounting functions and financial reporting of Shift4 Group companies.

A successful Financial Accountant combines excellent analytical skills with a solid knowledge of accounting principles to analyze and prepare financial reports. The ideal candidate should be an experienced hands-on person who is goal-oriented, highly organized, and able to work with little to no supervision and perform under pressure.

### Responsibilities:

- Prepare monthly management accounts and supporting workings.
- Perform internal control processes to support monthly, quarterly and annual financial results.
- Perform balance sheet reconciliation and related supporting documentation.
- Assist in monthly cost assurance and variance analysis.
- Perform payroll checks and related accounting.
- Perform quarterly VAT returns.
- Assist with the preparation of audit deliverables, financial projections and Board packs.
- Assist with the preparation and maintenance of accounting policies and procedures.
- Drive improvements and automation of internal processes and workflows.
- Support the finance function in ad hoc requests and reporting.
- Maintaining good working relationships with other departments within the organization.

### Requirements:

**We would love to meet with someone who is ACCA qualified or in possession of a Masters Degree in Accountancy with:**

- A minimum of 3 years' relevant working experience gained in a Big 4 Firm (preferably audit).
- Conversant with IFRS accounting principles coupled with experience in financial reporting.
- Experience in and knowledge of income tax, VAT or inventory management is considered an asset.
- Ambition to enhance knowledge and skills in a rapidly changing and dynamic environment.
- Proficient in Microsoft office applications with strong experience in Excel.

- Excellent organizational and interpersonal communication skills, both written and verbal.
- Able to work diligently and on own initiative with minimal supervision.
- Ability to learn quickly and a proven track record in problem analysis.

Applications should be forwarded to [shift4.managementaccountant@applynow.io](mailto:shift4.managementaccountant@applynow.io) by no later than the 30<sup>th</sup> April 2024.
